9 Plaintiffs,

**ORDER REQUESTING FILING OF
SUPPLEMENTAL LETTER BRIEFS**

10 v.

11 NATIONWIDE MUTUAL INS. CO.,

12 Defendant.
13 _____/

14 Currently before the Court is defendant's motion to transfer venue to the Southern District of
15 Ohio. Plaintiffs aver, and defendant does not dispute, that Frank Foster, one of the two lead plaintiffs
16 in this putative class action, resides in this district. The complaint and answer both state, however, that
17 Foster resides in Placer County, California, which is located within the jurisdiction of the Eastern
18 District of California. The Court therefore orders the parties to file supplemental letter briefs, not
19 exceeding three pages, on or before November 29, 2007, confirming where Foster resides and works
20 and discussing whether venue is proper in this district.
